Membership Application 2023/2024

You will find included a membership application form with your membership number at the top right-hand side. (Y23/.....)

I ask that you complete the form and send it to me at the Clubhouse and/or email it to me. **Please include your most up to date email address and mobile number as this is the easiest and most efficient way of the club keeping you updated with what is going on.**

If possible, payment by BACS or Cheque would be preferred although cash is acceptable, but payment by card will only be possible in the clubhouse.

For those of you electing to pay by monthly standing order or BACS, we ask that you ensure that you give your name and the ref. number on the president's letter of your Membership. This allows parents of younger players/members to pay subscriptions on their behalf without confusion. Last year a number of payments were received that could not be attributed to an individual because the reference was not recognised, or an application form received.

If you need to contact me or have any queries about the provided information, please do not hesitate to email me. My address is howerfcmembership@hotmail.com

I look forward to seeing you all at our upcoming games and in and around the Clubhouse!

Many thanks,

Jan Thomson
